

## We're Open!

Locust Dance Academy of Miramar, Florida officially opened its doors on November 11. The Grand Opening Celebration started with a dance party and ribbon cutting, led by Artistic Directors Jimmy Locust and Monica Richardson-Delgado, followed by free dance classes. Youth from the community stopped by, including Miss Miramar Teen USA.

## Hoops 4 Hope

Locust Dance Academy is proud to partner with the Miramar Police Department and Police Athletic League for their annual Hoops 4 Hope fundraising basketball game. The event raises money to give \$1000 in college scholarships to selected Miramar high school seniors. LDA dancers will supply the entertainment during the February 8 event.

## LDA in NYC

Select Locust Dance Academy company dancers will be performing in New York City on April 22. The concert is part of a dance festival weekend hosted by LDA's sister studio in the northeast, Locust Performing Arts Center. Dancers will participate in master classes taught by industry professionals and perform in a multi-media concert along with artists and dancers from around the country.
